### **Golden West Regional Fly-in Announces 2008 Theme “Flying Together”**

Marysville, California (March 26, 2008) Golden West Regional Fly-in & Airshow announced today that “Flying Together” is the theme for the 2008 event which will be held on June 6, 7 & 8 at Yuba County Airport (MYV). “Flying Together” is about aviation enthusiasts from all over the West gathering to celebrate their shared love of flight. Pilots of all kinds of aircraft, of which over 1,000 are expected, from single seat Ultralights to the latest Military Jets will flock to Marysville to participate in this aviation convention which is open to the public. According to Golden West President John Gibson “As much as the event is about the aircraft it’s also about friends coming together to renew acquaintances and to make new ones.”

The Golden West Regional Fly-in which will be open 8:00 AM to 5:00 PM (0800-1700) all three days will feature a daily airshow, forums and workshops. The Golden West Aero Mall™ will have exhibits by manufacturers of the latest aircraft, avionics and pilot supplies. The Kid Qwest™ hangar will provide aviation related hands on activities for kids of all ages and EAA Chapters will provide free Young Eagles flights for kids ages 8-17 on Friday. Aircraft judging will be on Saturday with awards presented at a dinner that evening.

Many exciting and interesting activities are planned for this year’s Golden West Fly-in and will be announced soon. For those that love flight they will be “Flying Together” to Marysville this June.
