Eddie Andreini's "Superbatics" to Headline the Golden West Regional Fly-in and Airshow

Reno Sport Class Racers also to hold racing demonstrations

Marysville, California (May 7, 2008) The organizers of the Golden West Regional Fly-in and Airshow, June 6, 7 and 8, Yuba County Airport (MYV), today announced that Eddie Andreini will display his unique brand of aerobatics which he calls "Superbatics" at the airshow all three days. It was also announced that a group of pilots from Reno Sport Class Air Racing will put on high speed demonstrations and also a ground display.

Eddie Andreini's Stearman Superbatics is a fast-paced 15-minute show that's been delighting audiences for years. A thundrous charging takeoff of Eddie's Super Stearman I HUGE! Biplane and an immediate double roll set the pace for this thrilling exhibition, including the incomparable WOPCEVOK, "a heart-stopping end-over-end tumble maneuver."

Approximately a dozen members of Reno Sport Class air racing will put their airplanes through their 300+ MPH paces, providing a close-up look at this dramatic sport. Between flight demonstrations, the airplanes will be available on the ground for closeup inspection. The pilots will also speak at lunch on Saturday, an event titled "Fast Food." Sport Class Air Racing was founded 10 years ago, as a way to make air racing accessible to recreational pilots. Many of the members have built their own Lancairs, Ventures, Glasairs and NXTs.

"Eddie is a favorite of Golden West crowds and we are happy to have him back this year. The Sport Class Reno Racers are a terrific group. They are friendly fellows that not only like to show off their airplanes in the air but on the ground in the pits," said Golden West president John Gibson.

In addition to the airshow each day, The Golden West Regional Fly-in will feature forums and workshops. The Golden West Aero Mall™ will have exhibits by manufacturers of the latest aircraft, avionics and pilot supplies. The Kid Qwest™ hangar will provide hands-on aviation related activities for children of all ages. Experimental Aircraft Association chapters will be present to provide free flights for children ages 8-17 on Friday, as part of the Young Eagles program designed to introduce young people to aviation. Aircraft judging will be on Saturday with awards presented at a dinner that evening.

Many additional exciting and interesting activities are planned for this year's Golden West Fly-in and will be announced soon. People who love flight will be "Flying Together" (this year's Fly-in's theme) to Marysville this June.

About Golden West Aviation Association

*Golden West Aviation Association, Inc. is an all volunteer 501(c)(3) not-for-profit association based in Marysville, California and is best known for its annual fly-in. The **Golden West Regional Fly-in & Airshow** draws more than 1,000 aircraft and 10,000 people to Yuba County Airport (MYV). Through the Fly-in Golden West 'opens the gates to aviation' while achieving its goals of promoting aviation education and safety and preserving aviation history. "The Golden West Regional Fly-in is under the sole ownership, control and operation of the Golden West Aviation Association and not EAA" For more information about the Golden West Fly-in go to the Golden West website (www.goldenwestflyin.org) or call the Golden West offices at (530) 852-0321.*
