

Share your know/edge and expertise with others!

Participate in the 11th Annual Golden West EM Regional Fly-In as a forum or workshop presenter!

You are invited to join us at our home Yuba County Airport (MYV), Marysville, CA, as we continue the tradition of offering excellent educational opportunities at the 2009 Golden West Fly-In on June 12, 13, & 14, 2009. This year we will again have multiple forums and workshop areas running concurrently throughout the convention providing the setting for you, as a forum or workshop presenter to reach out to others who share your interests in aviation.

Forums Schedule Friday 6/12 from 11 :00 AM to 2 PM -
Saturday 6/12 09:00 AM to 2:00 PM
Sunday 9:00 AM to 11 :00 AM.

Forums: are usually one hour in length with a 15-minute break between sessions. It is possible to combine forum slots should you wish to give a longer presentation. Forums can be repeated on one or more days.

Workshops run continuously throughout the day and offer hands-on opportunities for attendees to learn about some aspects of aircraft construction.

Exhibitors - Display space in the exhibit area or outdoors ramp space for aircraft displays is available by contacting Peter Requa, Exhibit Services Coordinator at 916-645-7592 cell 916-204-7791.
