

**Share your knowledge and expertise with others!**

Participate in the 10<sup>th</sup> Annual Golden West Regional Fly-In as a forum or workshop presenter!

You are invited to join us at our home **Yuba County Airport (MYV), Marysville, CA**, as we continue the tradition of offering excellent educational opportunities at the 2007 Golden West Regional Fly-In on June 6, 7 & 8, 2008. This year we will again have multiple forums and workshop areas running concurrently throughout the convention providing the setting for you, as a forum or workshop presenter to reach out to others who share your interests in aviation.

**Forums** begin at 9:00 am and are usually one hour in length with a 15-minute break between sessions. It is possible to combine forum slots should you wish to give a longer presentation. Forums can be repeated on one or more days.

**Workshops** run continuously throughout the day and offer hands-on opportunities for attendees to learn about some aspects of aircraft construction.

**Exhibitors** – Display space in the exhibit area or outdoors ramp space for aircraft displays is available by contacting Peter Requa, Exhibit Services Coordinator at 916-645-7592 cell 916-204-7791.

I am interested in presenting a:	Forum	Workshop	
Preferred Day:	Friday (6/6)	Saturday (6/7)	Sunday (6/8)
Time (Forums only)	Morning	Afternoon	

Topic: \_\_\_\_\_ Program Title: \_\_\_\_\_
